From

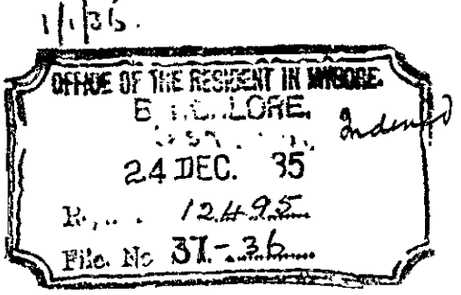
To

The Secretary to the Hon'ble the Resident in Mysore,
Bangalore.



SIR,

Amendments to Rules 19 and 20 of the Bangalore (Civil and Military Station) Motor Vehicles Rules, 1927, and to certain forms.

In forwarding, herewith, a copy of the Commissioner of Police's letter No.914/M.V./35, dated the 30th September 1935, on the above subject, I have the honour to state that the Municipal Commission accepted the Commissioner of Police's proposals at their Special Meeting held on the 31st October 1935 - (vide Copy of the Municipal Commission's resolution No.2, dated the 31st October 1935 enclosed). The amendments were published for objections (vide copy of this office Notice No.7627/35 dated the 5th November 1935 enclosed) and no objections having been received, the matter was again placed before the Municipal Commission at their Special Meeting held on the 19th December 1935, when it was resolved that their resolution No.2, dated the 31st October 1935 be re-affirmed and be submitted to the Hon'ble the Resident for confirmation - (vide copy of the Municipal Commission's resolution No.1, dated the 19th December 1935 enclosed). I request that the Hon'ble the Resident may be pleased to confirm the Commission's resolution No.2, dated the 31st October 1935 accordingly to come into force with effect from the 1st January 1936.

Letter No. 914/M.V/35, dated the 30th September 1935, the Commissioner of Police, Civil and Military Station, Ban to the President, Municipal Commission, Civil and Military Station, Bangalore.

Reference:- Forms used in connection with the Administration of the Indian Motor Vehicles Act and Rules framed thereunder.

I have the honour to bring to your notice the serious inconvenience experienced in connection with some of the standardised forms in use in the Station.

1. Driving license Form S (Agency) 100 and

2. Professional driving license Form S (Agency) 104 and connected forms - Forms 101, 102 & 105.

The licenses are prepared on paper which with the imperfect protection provided by the Guard File do not, in practice, stand the wear and tear to which they are subjected.

The ordinary license form 100 has no provision for the entry of endorsements or convictions and the space provided therefor in the professional license Form 104 is quite inadequate

The work involved in office in the issuing of both these licenses is unnecessarily heavy. In addition to the particulars to be entered in the Register of Ordinary Licenses (Form No.103) and the Register of Professional Licenses (Form No.106) full details of each license have to be entered in the office copy of the license itself. Experience has shown the whole procedure to be cumbersome and inconvenient.

I request therefore that the use of all these Forms viz., Forms S (Agency) Nos.100, 101, 102, 104 and 105 be discontinued and replaced by two forms only viz.

1. A Driving license, and

2. A card Index.

I would propose the use of the license Forms and Index Cards as used in the Madras Presidency. This license is in the form of a booklet and is issued both to ordinary and professional drivers. It has provision for half a dozen renewals and pages for Endorsements by the Magistrate and Licensing Officer etc. It contains also useful information for the motorist regarding traffic

traffic signals, guiding rules for drivers and rules of the The Index Card gives the briefest necessary details of the concerned license and can be sent away to other districts whe the licensee renews his license in a place other than that in which the license was granted. (I receive hundreds of requests for Index Cards from districts all over the Madras Presidency where Bangalore drivers renew their licenses) Particularly in Bangalore a large percentage of the office copies laboriously prepared are useless, since the licenses are renewed elsewhere and we hear nothing further of the drivers.

If my suggestions are approved the necessary forms could be indented for from the Madras Stationery Office.

Form† 96 - Certificate of Registration of a Motor Vehicle.

†Page 26 of the Rules at (P)

This form also does not suit modern requirements. It has no provision for the noting of "Change of Address" or "Transfer of Possession" and it has the further dis-advantage of not being complete in itself - it has to have attached to it a duplicate copy of the application for registration (Form 94). It is not surprising that motor owners frequently mislay either one or other of these two documents. Here again an elaborate office copy is provided although the necessary particulars are noted in Form 95 "Register of Motor Vehicles registered". The paper of the present form is of poor quality and being unprotected, the form has no chance of surviving for more than a year or so, whereas it should last the life of the car. The Madras Certificate of Registration would not suit conditions here as it contains many pages devoted to the Madras Motor Vehicles Taxation Act but I submit that a new form complete in itself and printed on stout paper is necessary.

†Not received. *at (2)

I attach samples of the forms referred to now in use here, a sample* of the Madras License form, Index Card, and a Mysore Registration Certificate which with the alterations shown would be suitable here.

I would add that there is a considerable demand from the local public for a better license and a better Registration Certificate.

(4

I therefore propose to move at the next meeting of the Municipal Commission the following amendments to Rules 19 and 20 of the Bangalore Motor Vehicles Rules.

SIR,

Subject:-Refund of permit fees - Motor vehicles in the Civil and Military Station of Bangalore..

I forward, herewith, a copy of letter No.654/M.V/36., dated the 6th July 1936, received from the Commissioner of Police, suggesting that a provision be made in the Bangalore (Civil and Military Station) Motor Vehicles Rules, 1927, to grant a proportionate refund of the amount of fees recovered in respect of permits issued in Form 'L' to motor vehicles in the Station. The Municipal Commission accepted the proposal of the Commissioner of Police, at their Special Meeting held on the 27th August 1936, and approved of the following amendments to rules 30 (2) and 30 (3) of the Bangalore (Civil and Military Station) Motor Vehicles Rules, 1927, in order to give effect to the proposal:-

Add the following to Rule 30 (2) of the Motor Vehicles Rules:-

"Provided that, if for any cause, the 'L' permit covering a motor vehicle is cancelled, a proportionate refund of the permit fee for each complete month in which it does not run shall be made."

Substitute the following for Rule 30 (3) of the Motor Vehicles Rules:-

"(3). Provided that, when after examination of the vehicle, the owner does not wish to take out a permit in Form 'L', or the grant or renewal of a permit is refused, the proportionate fee for one month shall be retained and the balance refunded to the owner."

The amendments were published for objections - Vide copy of this office Notice No.4430/36, dated the 2nd September 1936,

52)

and no objections having been received, the matter was again placed before the Municipal Commission at their Special Meeting held on the 29th October 1936, when it was resolved that their resolution No.1, dated the 27th August 1936, be re-affirmed and be submitted to the Hon'ble the Resident for confirmation. I request that the Hon'ble the Resident may be pleased to confirm the Commission's resolution No.1, dated the 27th August 1936 accordingly to come into force with effect from the 1st April 1936, on which date the new rates came into force.

Letter No.654/M.V/36., dated the 6th July 1936 from the Commissioner of Police, C. & M. Station, Bangalore, to the President, Municipal Commission, C. & M. Station, Bangalore.

Subject:-Refund of fee paid for 'L' permits granted under the Bangalore Motor Vehicles Rules.

Bus No.MYS.6574, which was running through Civil and Military Station, Bangalore between two termini in the Mysore State, was granted an 'L' permit in this office to be in force for six months from 23-3-1936 to 23-9-1936.

2. A sum of Rs.72-1-4 was demanded from its owner towards balance of 'L' permit fee under the New Rules for the unexpired portion of the half year, commencing from 1-4-36 as required in your letter No.1604/36 dated 4-4-1936.

3. The above bus was taken off the line permanently on 7-4-36 and its owner requests refund of fee paid by him for the unexpired portion of the 'L' permit granted to the bus.

page 13 of New Rules put up.

4. As the Rules stand at present, viz. rule 30 (3) of the Bangalore Motor Vehicles Rules - there is no provision to allow of a refund of fee when once the permit is taken. I therefore suggest that a clause may be inserted to the effect that a proportionate refund of fee for each complete month in which a bus or other Motor vehcle does not run in the Civil and Military Station may be granted, provided that the motor vehicle is taken off permanently.
